Own a part of history! Built in 1928 for a local captain, this home still has the original glass door knobs, kitchen cabinets with special organizers including a meat grinder attachment for countertop, a "California Cooler" pantry with special cabinetry used to keep your produce etc cold without ice, a built-in ironing board, original light fixtures and more. Original wood floors BUT also has upgrades like dual vinyl windows, a ductless heat pump on lower level and newer paint. Commercial zoning allows nightly rentals or live/work opportunities as well as single family home. Some work needs to be completed- stairs from front door, update heating systems on 2 levels, new roof on home and garage, and converting to city water instead of spring water. Cash purchase only due to those outstanding needs. Call, text or e-mail today for all the details! #23563027-m2o ~ Click on Photo for more pictures!
