Serene living just outside of town on this 4.12 acre horse property with a lovely 3 bdrm, 2 bath, 2008 sf home. You will be amazed at the amount of detail on this Ranchette. There is not a spot inside the house that isn't unique. All new Carpet, as well as new rich tile. Quartz counters adorn the Kitchen and contains all new high-end appliances. The bathrooms luster with new gorgeous tile and are in a word, spectacular! The house has a unique north facing covered patio/sunroom that leads to the back yard and lawn. One of the bedrooms has a Disney paint theme and the entire home throughout is demonstrations of an artist's pallet. Gorgeous stonework has been crafted throughout the property. The path to the stall area has been beautifully custom cemented with a curved path for access with truck and trailer. The garage has living quarters with a bathroom and an additional large, covered area for RV or Dually truck. Outdoor entertaining is a breeze with a large Decked above-ground pool & another large deck with Gazebo overlooking the grounds. You won't find another one like this one and it wont last! #220154955-m2o. Click on photo for more pics.
