Rare Phoenix Hills lot for sale in a cul-de-sac with some views of the Mountains and City lights & sunsets.
Lot has all city services and had a 2 story home that burned down. Cement driveway & some of the old foundation is still in place. Nice subdivision with community greenway and nice area of homes. Not a lot of competition for buildable lots for sale in Phoenix! Buyer to do Due Diligence regarding building & foundation requirements. Call, text or e-mail today for all the details! #220173004-m2o ~ Click on Photo for more pictures!
