27.8 acres that currently has a home that was built in 2020 with structural insulated panels. #220178783-m2o  
~ Click on Photo for more info!

Great opportunity awaits! Looking for a view property that offers peace, privacy, and an excellent location? This is sure to check all the boxes! 27.8 acres that currently has a home that was built in 2020 with structural insulated panels that makes this very energy efficient. Main level features the dining area and kitchen with stone coat counters, electric range/oven, refrigerator and washer/dryer, and a door that leads out to the patio/deck area. Upstairs is a large bonus room with vaulted ceiling, and ceiling fan, side by side closets, and two walls of windows that take advantage of the views and natural light. The attached garage is 720 sq. feet with an oversized door with Liftmaster opener. Off the garage is the bathroom with double shower with tile surround with glass accent ribbon. Also included in the sale are plans for a custom built home with just under 2400 sq. feet. Live in the current home while you build your dream home, or enjoy as it is! Call, text or e-mail today for all the details! #220178783-m2o ~ Click on Photo for more pictures!
