Great opportunity to locate across from the new Costco with a planned opening in late 2017. This is one of 6 small parcels/lots ranging from .45(4), .48(1) and .72(1). These are the only small lots currently existing across from the new Costco. They are all zoned M-1 with City Services stubbed to each lot. The lots start at the corner of Federal Way and Hamrick Rd. on the East side of Federal Way going South. Future - Plans call for Federal Way to connect to Table Rock Rd. close to Airport Rd. and Table Rock.
